Alternative spares FAQs

- The warranty on all non-branded alternative spare parts purchased via HRP Trade is 1 year as standard from date of sale from us to you. This is on par with all major UK boiler manufacturers spares returns policies.
- Under no circumstances will 'copy' parts be sold via HRP Trade.
- HRP Trade will always offer both the branded and non-branded part, the product code you order will denote which item you are sent. Only items with the ALT prefix will be non-branded alternatives.
- The 'list' prices displayed by us on alternative spare parts are a guideline and by no means a set manufacturers list price.
